2025 Annual Update

Dear Friends,

The Sherwood/Antler Community Foundation has been able to support some great projects in our communities over the last several years. See our most recent grant awards (and photos of previous grants in use) at the right.

We know these projects wouldn't be possible without our numerous partners who receive these grant dollars and put them to work—the nonprofit organizations, community volunteers, and service providers who are building a better life for our residents through their projects and programs. **Thank you for the great work you are doing every day in our area!**

These grant dollars are available because of generous donors through the years. Please consider making a donation o help our fund do even more. You can donate online at www.NDCF.net/SherwoodAntler or send a check to the address on the back. **Thanks for whatever you can do!**

Fund Growth Over the Years

The Sherwood/Antler Community Foundation has a market value of more than $119,000! This is a permanent fund so that money will provide grant dollars for our area forever.

How did we get to this amount? First, the fund was established at the North Dakota Community Foundation with a gift from the Arthur H. Pearson Trust back in 2010. Then, more than 50 different individuals, families, and businesses have donated to this fund over the years, either through fundraisers or by sending in a check. Many of these donors give regularly.

Special thanks goes to Frank Larson, founder of Starion Bank and our largest donor to date, who made a $25,000 matching gift to our foundation, encouraging others to give.

The chart below shows the **market value of our fund as of December 31 every year** (2025 value is as of September 30.)

It's easy to see the impact of our matching grant campaign in 2022! Thanks to everyone who has helped us establish this resource for our area.

Donating Ag Commodities Makes Good Sense (& Cents)

Many North Dakotans do their charitable giving in a very tax-wise way - they gift a portion of their harvest.

"Gifting agricultural commodities is a really smart way to give back," noted Kara Geiger of the North Dakota Community Foundation, who works with area producers on their gifts. *"Farmers can deduct the cost of production, but the portion of the harvest that is donated does not have to be claimed as income to the self-employed farmer. This can result in thousands of dollars in tax savings as opposed to a straight gift of cash."*

The Sherwood/Antler Community Foundation can accept many different types of agricultural commodities as gifts, including livestock.

If you are interested in learning more about this giving option, contact Kara Geiger at Kara@NDCF.net or 701-222-8349 for a free, confidential conversation. She can provide illustrations of your potential tax savings and discuss various ways to structure your gift to meet your charitable-giving desires as well as optimize your tax savings. Leave Your Legacy in Sherwood/Antler

If you would like to leave some or all of your estate to the Sherwood/Antler Community Foundation, the bequest language is as follows:

*"I give and bequeath to the North Dakota Community Foundation (Tax ID 45-0336015), a qualified charitable organization under IRS 501 (c)(3), located in Bismarck, North Dakota, _____(a percentage, specific dollar amount, or remainder) to the **Sherwood/Antler Community Foundation**, a component fund of the North Dakota Community Foundation."*
