## *Dushinske & Jamison Water Resources Scholarship*

**Applications Due April 15**

The North Dakota Water Education Foundation (NDWEF) is now accepting applications for the 2025 Dushinske & Jamison Water Resources Scholarship Endowment. The deadline for applications is April 15, 2025. All applications must be postmarked by that date.

The Dushinske & Jamison Water Resources Scholarship Endowment was established by the NDWEF within the North Dakota Community Foundation in memory of Russ Dushinske and Warren Jamison and their distinguished service, dedicated leadership and lifelong devotion to water development in North Dakota.

“The Dushinske & Jamison Water Resources Scholarship Endowment is a lasting legacy that Russ and Warren leave behind,” says NDWEF Executive Director Dani Quissell. “Thanks to their legacy, we’re able to support future generations of water leaders through scholarships awarded every year.”

Each year, four \$1,500 scholarships are awarded to deserving students. Applicants must be enrolled in a North Dakota college or university, with preference given to, but not limited to, those pursuing water-related fields or those whose families have actively contributed to state water resource management.

The scholarship recipients will be recognized at the North Dakota Water Convention awards program on December 11, 2025. The 2025 scholarship winners will be selected by an impartial judge and announced in May, with the results published in *North Dakota Water* magazine.
