North Dakota Community Foundation Awards \$572,000 in Scholarships

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) will award \$572,000 in over 370 scholarships to North Dakota students in 2020. The organization currently manages over 150 scholarship funds supported by North Dakotans, former residents and those interested in helping North Dakota students succeed.

“Thanks to generous donors, these students will be able to continue their education despite the rising costs of college tuition,” said Kevin Dvorak, President and CEO of NDCF. “We wish them much success as they start the next chapter of their lives.”

The following list is organized alphabetically by hometown and provides the name of each scholarship recipient, their hometown, the school they will be attending (if known), and the scholarship fund or funds at NDCF from which the money was granted. In most cases, a local advisory committee recommends the grant recipient.

Congratulations to the NDCF Class of 2020!
