North Dakota Community Foundation Awards \$500,000 in Scholarships

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) will award over \$500,000 in scholarships to over 330 North Dakota students in 2019. The organization currently manages over 150 scholarship funds supported by North Dakotans, former residents and those interested in helping North Dakota students succeed.

"Congratulations to these outstanding youth, many of whom are continuing their education right here in North Dakota," said Kevin Dvorak, President and CEO of NDCF. "And a special thanks to the donors who created and contributed to these scholarship funds over the years to assist North Dakota students with the costs of higher education. We are honored to carry out your wishes."

The following list is organized alphabetically by hometown and provides the name of each scholarship recipient, their hometown, the school they will be attending (if known), and the scholarship fund or funds at NDCF from which the money was granted. In most cases, a local advisory committee recommends the grant recipient.

Congratulations to the NDCF Class of 2019!
