**Bowman & Slope County
Community Foundation**

**2025 Annual
Update**

Dear Friends,

The Bowman & Slope County Community Foundation has been able to do some incredible things in our communities, thanks to our donors and the infusion of grant money from the North Plains Connector Community Investment Program in recent years.

We know, however, that these projects wouldn't be possible without our numerous partners who receive these grant dollars and put them to work—the nonprofit organizations, community volunteers, and service providers who are building a better life for our residents through their projects and programs. **Thank you for the great work you are doing every day in our area!**

You can see our most recent grants at the right and our overall impact in the pie chart on the back. **We invite everyone to join us in building this fund so it can support important initiatives in our area well into the future!**

Feel free to contact a committee member to discuss your charitable goals or to answer any other questions you may have. Thanks for keeping your giving local and investing in our communities!

The new green space by the Bowman Regional Public Library has transformed the area into a gathering spot for library patrons, tourists, and others. The project was funded by many entities, including grants from the North Plains Connector Community Investment Program as well as the North Dakota Community Foundation.

Above: Carla Teske and Ila Kelner present Ryan Pagel of the Slope Farmers Fair Association with a \$150,000 grant on November 21, 2025. This is the largest grant ever distributed through the BSCCF.
