North Dakota Community Foundation Awards Over \$8 Million in 2022

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) has announced that it awarded over \$8 million in grants and charitable program expenses in 2022. The organization was founded in 1976 to improve the quality of life of North Dakotans through charitable giving and promoting philanthropy.

NDCF currently manages over 850 charitable funds, including 69 local community foundations in the state and over 150 scholarship funds for North Dakota students. It also administers organizational endowment funds, donor-advised funds, school foundations, and special interest funds for individuals and nonprofit organizations across North Dakota. It has awarded over \$99 million in grants since its inception and ended 2022 with more than \$113 million in net assets. The organization has offices in Bismarck, Larimore, Dickinson, and Wahpeton, North Dakota.

All of NDCF's community endowment funds are guided by advisory committees made up of local volunteers who are responsible for fundraising to help grow their endowment fund and who recommend grant awards every year. All gifts to community endowment funds are tax deductible. In addition, individuals who donate at least \$5,000 and businesses that donate any amount to a community endowment fund at NDCF may be eligible for the 40% ND state tax credit.

More detailed information about NDCF's accomplishments in 2022 can be found in its Annual Report, which is available on the organization's website at www.NDCF.net/news.
