North Dakota Community Foundation Awards \$817,000 in Scholarships

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) will award more than \$817,000 in over 400 scholarships to North Dakota students in 2025. The organization currently manages over 200 scholarship funds supported by North Dakotans, former residents and those interested in helping North Dakota students succeed.

“We want to extend our congratulations to all of these students,” said Steve Lipp, President of NDCF. “And we want to thank the many generous donors who made these scholarships possible.”

The following list is organized alphabetically by hometown and provides the name of each scholarship recipient, their hometown, the school they will be attending (if known), and the scholarship fund or funds at NDCF from which the money was granted. In most cases, a local advisory committee recommends the grant recipient.

Congratulations to the NDCF Class of 2025!
