2025 Annual Update

Dear Friends,

The Mohall Area Community Foundation has been able to do some incredible things in our community, thanks to our many donors over the years. You can see how our endowment fund has grown since inception on the back.

We know, however, that these projects wouldn't be possible without our numerous partners who receive the grant dollars and put them to work—the nonprofit organizations, community volunteers, and service providers who are building a better life for our residents through their projects and programs. **Thank you for the great work you are doing every day in our area!**

Our most recent grants are at the right. **We invite everyone to join us in building this fund so it can continue to support important initiatives in our area well into the future!**

Feel free to contact a committee member to discuss your charitable goals or to answer any other questions you may have.

Happy Holidays to you and yours!

Mohall Area CF Advisory Committee

The Mohall Area Community Foundation Advisory Committee awarded two grants, totaling $4,960 in November:

- **Mohall QuasquiCentennial Committee:** $3,960 to help put on the 125th celebration in 2026
- **Mohall Ambulance Service:** $1,000 for Stair Chairs

Grants are awarded from the fund once a year. Any organization with a 501(c)(3) status or government agency may apply. Applications are available online at **www.NDCF.net/Mohall**

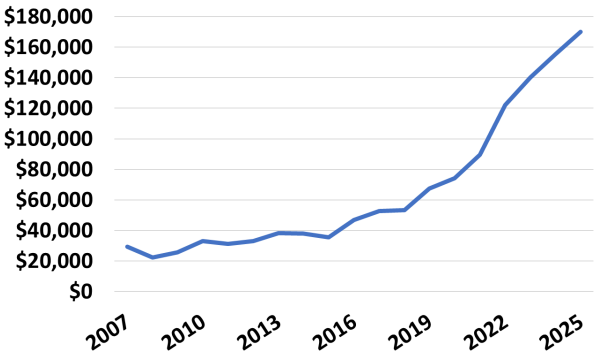

A 2024 grant from the Mohall Area Community Foundation helped create a "Little's Room" at the Mohall Public Library, complete with durable foam flooring, new shelves, new toys and puzzles, and Softscape blocks and furniture. *"Our Little's Room has become a well loved addition to our library,"* wrote librarian Cayla Beth Burner. *"It has allowed us to do more events for ages 6 and under and has provided a safe place for our youngest library users to play and learn."* Burner notes that there have been more than 200 sign-ins to the Little's Room since it opened earlier this year and it is well-utilized.

Annual Giving Over the Years

The Mohall Area Community Foundation's endowment fund has a market value of more than $170,000! This is a permanent fund so that money will provide grant dollars for our area forever.

How did we get to this amount? Our fund got its start with a $25,000 donation from Mohall Improvement, Inc. Then, 75 different individuals, families, businesses and organizations have donated to this fund over the years, either through fundraisers or by sending in a check. Northland Electric has been a significant supporter and Frank Larson offered a $25,000 matching gift in 2022. Our fund is carefully invested by our partner the North Dakota Community Foundation and we've seen some market growth from that as well.

The chart below shows the **fund value as of December 31 every year since inception** (2025 number is as of Nov. 30) What impressive growth!

Leave A Legacy in Mohall!

If you would like to leave some or all of your estate to the Mohall Area Community Foundation, the bequest language is as follows:

*"I give, devise and bequeath to the North Dakota Community Foundation (Tax ID 45-0336015), a qualified charitable organization under IRS 501 (c)(3), located in Bismarck, North Dakota, _____(a percentage, specific dollar amount, or remainder) to the **Mohall Area Community Foundation**, a component fund of the North Dakota Community Foundation."*

Generous Tax Credit Provides Big Incentive To Give

Are you able to make a more substantial gift to our community foundation? If so, you may be interested in the significant tax benefits available.

The North Dakota Charitable Income Tax Credit, passed by the ND State Legislature in 2011, allows individuals that donate $5,000 or more and businesses that donate any amount to qualified endowment funds to receive up to a 40% state tax credit.

The Mohall Area Community Foundation (MACF) is managed as a "qualified endowment fund" so donations may qualify for the tax credit if they meet the above criteria. Several donors have already taken advantage of this incentive and contributed to our fund.

Depending on your tax bracket, this means a $5,000 gift to the MACF may end up only costing about $2,000 after taking advantage of the tax credit and other deductions! (see chart below)

The credit can be carried forward for three additional tax years, if it cannot all be used in one year.

Gift Amount	$5,000	$10,000	$25,000
Estimated Federal Tax Savings	($960)	($1,920)	($4,800)
ND State Income Tax Credit	($2,000)	($4,000)	($10,000)
Net Cost of Gift	**$2,040**	**$4,080**	**$10,200**
