## North Dakota Community Foundation Awards \$629,000 in Scholarships

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) will award over \$629,000 in over 380 scholarships to North Dakota students in 2021. The organization currently manages over 150 scholarship funds supported by North Dakotans, former residents and those interested in helping North Dakota students succeed.

“We are honored to help these students further their education,” said Kevin Dvorak, President and CEO of NDCF. “And we are grateful to generous North Dakotans whose gifts made these scholarships possible.”

The following list is organized alphabetically by hometown and provides the name of each scholarship recipient, their hometown, the school they will be attending (if known), and the scholarship fund or funds at NDCF from which the money was granted. In most cases, a local advisory committee recommends the grant recipient.

Congratulations to the NDCF Class of 2021!
