North Dakota Community Foundation Awards \$1.05 Million in Scholarships

Bismarck, North Dakota . . . The North Dakota Community Foundation (NDCF) has awarded more than \$1 million through 464 scholarships to students in 2026. The organization currently manages over 200 scholarship funds supported by North Dakotans, former residents and those interested in helping North Dakota students succeed.

“We want to extend our congratulations to all of these students,” said Steve Lipp, President & CEO of NDCF. “And we want to specifically thank the many generous donors who made these scholarships possible.”

The following list is organized alphabetically by hometown and provides the name of each scholarship recipient, their hometown, the school they will be attending (if known), and the scholarship fund or funds at NDCF from which the money was granted. In most cases, a local advisory committee recommends the grant recipient.

Congratulations to the NDCF Class of 2026!
