2025 Year-End Report

A Status Update for Donors and Supporters of Parshall's Permanent Endowment Fund.

Dear Friends,

The Parshall Area Community Foundation has been able to do some incredible things in our communities, thanks to our many donors.

We know, however, that these projects wouldn't be possible without our numerous partners who receive these grant dollars and put them to work—the nonprofit organizations, community volunteers, and service providers who are building a better life for our residents through their projects and programs. In fact, our foundation has made grants to more than 20 different entities providing services in our area. **Thank you for the great work you are doing every day!**

You can see our most recent grants at the right and our overall impact in the pie chart on the back. **We invite everyone to join us in building this fund so it can support important initiatives in Parshall well into the future!**

Feel free to contact a committee member to discuss your charitable goals or to answer any other questions you may have.

- Shane Hart, Parshall Committee Chair

Generous Tax Credit Provides Big Incentive To Give

Are you able to make a more substantial gift to our community foundation? If so, you may be interested in the significant tax benefits available to you.

The North Dakota Charitable Income Tax Credit, passed by the ND State Legislature in 2011, allows individuals and couples that donate \$5,000 or more and businesses that donate any amount to qualified endowment funds to receive up to a 40% state tax credit.

The Parshall Area Community Foundation (PACF) is managed as a “qualified endowment fund” so donations may qualify for the tax credit if they meet the above criteria. Several donors have already taken advantage of this incentive and contributed to our fund.

Depending on your tax bracket, this means a \$5,000 gift to the PACF may end up only costing about \$2,000 after taking advantage of the tax credit and other deductions! (see chart below)

Gift Amount	\$5,000	\$25,000	\$50,000
Estimated Federal Tax Savings	(\$960)	(\$4,800)	(\$9,600)
ND State Income Tax Credit	(\$2,000)	(\$10,000)	(\$20,000)
Net Cost of Gift	\$2,040	\$10,200	\$20,400
