

Design a new logo for our Community Foundation!

The Hazelton-Moffit-Braddock Community Foundation is now the **Hazelton Area Community Foundation** and needs a new logo! We have used a temporary logo for a few years, but this is a permanent foundation that will provide charitable resources to our area forever.

Can YOU design a logo to represent our area foundation?

Logo Design Contest Open April 15 - May 20, 2023

- Can be drawn on paper or designed digitally
- Does not have to be “polished” - we are just looking for a good concept
- Should represent our area and include the words “Hazelton Area Community Foundation” (should not include “Hazelton-Moffit-Braddock” or “Uncle T’s”)

Background: The Hazelton-Moffit-Braddock Community Foundation was established in 2019 by the Ranschler and Dahl families, who have been a part of the HMB community since the early 1900's. Their gifts, made in honor of their relative Theodore Ranschler (Uncle T) helped establish this permanent endowment fund, which will provide grant dollars every year to support area nonprofits that work in the education, community improvement, and quality of life areas. A committee made up of local residents leads fundraising efforts to continue to grow the fund and reviews grant applications and recommends grant awards every year. The HMB Community Foundation (now the Hazelton Area Community Foundation) is a component fund of the North Dakota Community Foundation.
