Our Mission

The **Glen Ullin Community Foundation** is a permanent endowment fund that can support our community for years to come. Annual revenue from the fund supports priority projects in the area that improve the quality of life in our community.

Our Committee

As a group of volunteers, we have two main functions: first, to stay educated on the important needs in the community. Then, to connect resources to fund them through our endowment fund. We also encourage people to consider legacy planning - leaving a portion of their estate to our community foundation to provide resources for future generations of Glen Ullin residents.

Current Members:

Nancy Bittner	Chris Geiss
Mary Sibla	James Farrell
Alice Fitterer	

Our Service

Since 2013 yearly grants have been awarded in our community, totaling over \$51,000. Unfortunately, grant requests greatly outweigh the money available and our committee is usually only able to fund (or partially fund) about 23% of the requests.

Funded (or partially funded) projects include . . .

- GUPPIES - flag and flower project
- Crossroads Golf - table and chairs for new shelter
- Glen Ullin Park Board - Grandstand 2020
- Marian Manor Healthcare Center - dyn-ergo scoot chair
- Glen Ullin Senior Club - replace roof gutters
- Glen Ullin Public School - Summer Blast Program
- Glen Ullin Fire District - Wildland PPE

See chart at right for where our grants have gone:

Thanks to the Diedes & Donors!

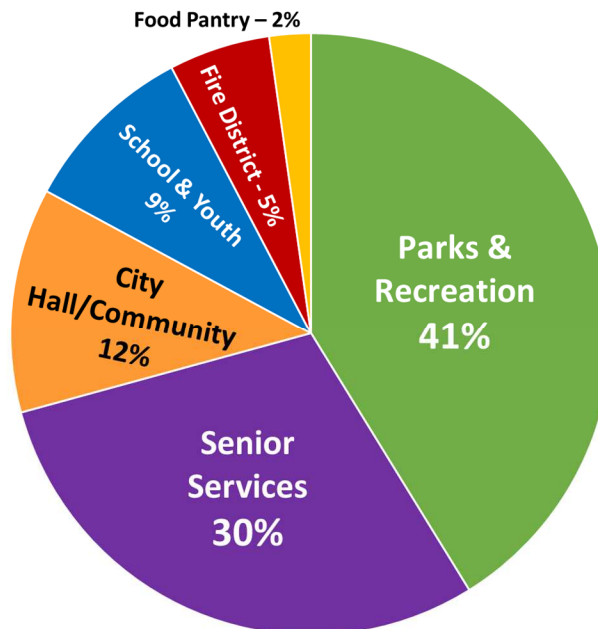

The **Glen Ullin Community Foundation** was started with an estate gift from Ishmael & Rose Diede and continues to grow with additional gifts. Of particular note is the large donation from the Glen Ullin Lions Club and the estate gift in memory of Curtis, Clarence and Esther Saylor. Donations of any size are welcome and are a permanent gift to our hometown.

Growing to Serve More

We encourage each family, individual, and business to make some sort of gift from time to time. Over the years, all those gifts will grow this permanent fund to be an even more valuable resource for our communities.

We currently are considered a **Blue Dot Community** (assets between \$100,000 and \$250,000) but need to grow to an **Orange Dot** (\$1 M - \$5 M in assets) in order to meet the needs in our area.
