She graduated from the University of North Dakota and has previously worked at North Dakota's Gateway to Science and the Bismarck-Mandan Development Association. The North Dakota Community Foundation was organized in 1976 as a public, non-profit tax-exempt corporation which receives and distributes charitable funds to support a wide range of programs which benefit North Dakotans and their communities. NDCF currently administers over \$120 million in over 850 individual charitable funds, including 69 community foundations and over 200 scholarships for North Dakota youth.
