Gerald Ringdahl Scholarship Fund Fund Background: Established in 2020 by Gerald's wife, Judy Ringdahl

Gerald Ringdahl taught junior high math and science at Oakes Public School from 1964-1987. During that time, Mr. Ringdahl incorporated various teaching methods to meet the needs of the students. His teaching methods were hands-on, challenging, motivational, "down to earth", practical and above all, he strived to treat each student fairly. His family wishes to carry on his legacy by providing students money for additional training beyond high school, with special emphasis given to character qualities, which he demonstrated in his teaching and life as a farmer.

The following qualities/requirements will be evaluated to determine scholarship awards:

- 2.5 GPA or higher
- Excellent attendance throughout High School
- Strong work ethic
- Positive attitude
- Dedication to a purpose
