2022 Annual Update

A Status Update for Donors and Supporters of Glen Ullin's Permanent Endowment Fund.

Our community foundation is celebrating its 10 year anniversary this year and what an impact it has had on our community! That seed that Ishmael & Rose Diede planted so long ago with their estate gift has grown and bears fruit - in the form

of grant dollars that we award every year. In fact, we've awarded over \$58,000 in grants from this fund since our inception!

These grant dollars have supported projects at our school, park district, fire district, Marian Manor, and senior citizens center, as well as other entities. This is what can happen when people believe in the future of our community and invest in our foundation so that future generations will have the resources they need to improve the quality of life in our hometown.

My thanks to all the donors that have contributed to this fund over the years to help nourish our "apple tree", especially the Glen Ullin Lions Club for your significant gift. Everyone's continued support allows us to have a bigger impact.

If you have any questions, please don't hesitate to contact me or our other committee members: Chris Geiss, Mary Sibra, James Farrell or Alice Fitterer. While we are enjoying the fruits of our harvest now, we are also eager to see how much we will grow in the next 10 years!

Real North Dakotans Making a Difference In Their Community

Making a lasting difference in your community or for future generations may be easier than you realize. With very simple language in your will or trust, you can support the Glen Ullin Community Foundation (GUCF) and continue to provide resources for projects and programs well into the future.

If you have children or other relatives, you can leave a portion of your estate to them and a percentage to GUCF. Doing so provides for your heirs while honoring your charitable values.

Other North Dakotans have left a legacy in their community:

- Tom Larson was the City Manager, Assessor, and Auditor for Park River, ND and a tremendous community leader. When he passed away at the age of 54, he left almost \$120,000 to the Park River Community Endowment Fund.

Tom Larson

- T.A. and Anna Solheim left 50% of their estate to their heirs and certain percentages of their estate to various nonprofit organizations, including 15% to the Minot community.

- Brothers Russell and Dale Brown left gifts to the communities of Lisbon and Milnor in their estate plans.

If you would like to have a profound impact on the city of Glen Ullin and future generations, you can contact NDCF for more info or just include the following text in your will:
